**VOLUNTEER INCOME
TAX ASSISTANCE**

THANK YOU!

The Nations Tax Season began on January 19th, 2016 and ended on April 19th, 2016. Our volunteers worked hard and successfully submitted 313 electronic Income Tax Returns. Our volunteers worked long hours and provided exceptional service to all of the individuals and families that came to our Danbury office to receive free income tax preparation. CAAWC wants to give a warm thank you to all of our volunteers for all of their hard work!
